Team Volunteer Coordinator Instructions
(Please make copies for your Team)

Dear All Star Volunteer Coordinator:

Thank you for volunteering to help with this year's MSL All Star Meet. Since this is an All Star meet, please make sure you assign parents who are experienced in the position they've been assigned. This will help the meet to run smoothly. At the day of the meet, you or your designated rep should be available to recruit last-minute volunteers from your team.

The All Star Volunteer Coordinator's responsibilities include:

- Recruit parent volunteers for the jobs your team has been assigned (including alternates).
- Communicate the names/contact information of your volunteers to the Meet Directors. We will email you soft copies of the Volunteer forms for your reference. **THESE VOLUNTEER FORMS will also be posted on the MSL website at www.marinswimleague.org . Adds, moves and changes should be affected through the MSL page.** Please complete your assignments **no later than Friday, June 14th.**
- Be the single point of contact between the MSL and your team. On the morning of the event you will receive a team packet with coach's heat sheets, snack bar vouchers and an invoice.
- Check in at 9:30 am on the day of the meet and be available throughout the meet to fill in last minute needs (which always happens!).
- **Bring at least four working stopwatches** (in case of Colorado System failure).

The All Star meet is essentially a large dual meet. We have the same jobs which are required for any dual meet with just a few exceptions. We have listed descriptions for jobs that teams have been assigned to teams. We will be swimming in 10 lanes. Teams are permitted to trade jobs with each other. It is your responsibility to coordinate any trades. Each team has been assigned a specific lane for warm-ups and for timing volunteers. Please see Pool Configuration chart enclosed in this packet. Once the trade has been completed, email the trade details to **Mike Pedersen** at mzpedersen@hotmail.com **no later than Friday, June 14th.** A complete list of the volunteers will be available at the meet.

Logistic Details:

- **Meet start time is 11:00 AM.** Warm-ups begin at 10:00 am.
- **NO "Whistle Start" for this Meet.**
- **There will NOT be touch pads this year.**
- **Fly Over Starts will be utilized.**
- **The meet should end by 2:00 PM.**

Our sincerest thanks for your efforts in making the 2013 MSL All Star meet a great success.

Sincerely,

Relays - Dual Confirmation Officials:

- These judges check the relay exchanges to make sure swimmers don't leave the blocks too early.
- Please make sure that all assigned Officials report to their pre-shift meetings for instruction.

Colorado Desk Personnel:

Once again this year, data will be transmitted directly from the Colorado system (the plungers) to the computer. The swimmers will NOT be using touch pads. Hard copy times from the back-up watches will be brought to the desk and used in the event of an automatic timing failure. Desk workers should be prepared to use the manual procedure in the event of a Colorado system failure.

- Sets next event or heat.
- Monitors/adjusts active lanes, arms/disarms buttons
- Stores/prints each race.

- Checks that manual time overrides were applied correctly.
- Checks correct heat/lane reassignments.
- Reports errors to the Data Entry Person.
- Staples the entire Event Package and stores it away.

Desk Runner:

- Should be posted near the announcer.
- Must be able to take the Sheets from the Lane Runner (coming after each event from the timers) to the Colorado Assistant (one of the desk positions described above).
- Make sure that the timer sheets were collated.

- Posts event results. The results are ready after the event has been checked by the Heat Checker.

Ribbon Desk Personnel:

Ten bags with team names will be assembled near the ribbon desk (next to the computer desk). Medals are awarded for the First through Fourth place in each individual event. Medals are awarded to the First through Fourth place members of the winning relay teams. Following the meet, coaches will pick up bags for distribution to their team

Gatekeepers:

Two Gatekeepers will be assigned to each half of the meet. One Gatekeeper will stand at the entrance to the starting block area and the other will stand near the deep end by starting blocks.

swimmers or spectators should not be allowed by the deep end diving board areas. The Gatekeepers job is to keep unauthorized people from behind the blocks and the computer desk.

Pool Marshall/Warm-Up Supervisor:

The Pool Marshall will work with Warm-Up Supervisor to maintain order and keep the pool area safe, along with the three lifeguards.

Timing Staff:

This is often the biggest "late show" area. This is the BIGGEST number of volunteers. Please remind all Timers, Recorders and Runners to report to their pre-shift meetings and to their lanes promptly.

Head Timers:

Head Timer #1 shall run the pre-shift timers meeting and shall assure that all timers are equipped and informed as to positions, etc.

Head Timer #2 shall help prepare timers at the 10:00 am meeting and will supervise all timers from the opposite side of Head Timer #1 during the meet, each one having five lanes to be responsible for. If a timer should miss a start, he/she should alert the Head Timer on the closest side who should then capture that time. The appropriate Lane Recorder will then pick up that time from the Head Timer.

Timers:

The timing system is linked to the starting system. Timers will use the push button and press it ONLY as the swimmer finishes. The Lead Timer/Recorder will also use a stopwatch as a backup and will time the event as usual. The stopwatch time is the only time given to the recorder. If the Timer misses the time and doesn't alert the Head Timer, he/she should NEVER use the scoreboard time. Recording no time is preferred to duplicating the scoreboard time here. The Timer/Recorder in each lane will record the back-up time on hard copy (paper).

Timers should be prepared to go back to stopwatches in the event of a Colorado system failure. Stopwatches will be provided by each individual team. **Each team is to bring 4 backup watches.**

The chart below lists the Timer volunteer positions by Team & Lane.

Lane 1	Scott Valley
Lane 2	Lucas Valley
Lane 3	Sleepy Hollow
Lane 4	Strawberry
Lane 5	Swimarin
Lane 6	Novato
Lane 7	Marinwood
Lane 8	Rolling Hills
Lane 9	Tidalwaves
Lane 10	Orcas

Recorders:

The job of recorder will be done by the first position timer in each lane (see Volunteer Lists). The recorder shall write very clearly; listen to the Announcer; check every sheet for the correct heat, correct swimmer's name; hand in every sheet to the Lane Runner; write "NS" on the sheet of paper if there is no swimmer; **and will always STAND UP and signal to the Starter if more time is needed.** If you think the swimmer's name is different than the name on the sheet, be sure to check with the swimmer when he or she is finished swimming and write in the correct name.

Lane Runners:

Two Lane Runners will be assigned for each half of the meet. The runner will move down all ten lanes at the end of each event to pick up the sheets from each Timer/Recorder. The runner will then check to see that the Timer/Recorder has legibly put the times in the correct place on each sheet. The Runner will keep the sheets in lane order, from lowest to highest and will correctly combine them before turning in to the Desk. When picking up the sheets, make sure you pick up a sheet from all of the lanes. As you pick them up, make sure they are from the same event. Keep an eye and ear on the Starter. Try not to be asking nor reaching for sheets from Recorders as the race is about to start. This distracts Timers and is a common reason for timers with a stopwatch to miss the start.

Announcers:

This volunteer will announce the upcoming heat and the swimmers names and team affiliation while the prior heat is swimming. While swimmers are in the water, the announcer can also report the All-Star record for that event.

The Announcer will also:

- Announce start times of meetings, reminding workers to show up on time.
- Make miscellaneous announcements as indicated by the Meet Director.
