Team Volunteer Coordinator Instructions

(Please make copies for your Team)

Dear All Star Volunteer Coordinator:

Thank you for volunteering to help with this year's MSL All Star Meet. Since this is an All Star meet, please make sure you assign parents who are experienced in the position they have been assigned.

This will help the meet to run smoothly. On the day of the meet, you or your designated rep should be available to recruit last-minute volunteers from your team.

The All Star Volunteer Coordinator's responsibilities include:

- Recruit parent volunteers for the jobs your team has been assigned (including alternates).
- Communicate the names/contact information of your volunteers to the Meet Director. We will email you soft copies of the Volunteer forms for your reference. **These volunteer forms will also be posted on the MSL website at www.marinswimleague.org . Adds, moves and changes should be affected through the MSL page.** Please complete your assignments **no later than Monday, June 16th.**
- Be the single point of contact between the MSL and your team. On the morning of the event you will receive a team packet with coach's heat sheets, snack bar vouchers and an invoice.
- Check in at 9:30 am on the day of the meet and be available throughout the meet to fill in last minute needs (which always happens!).
- **Bring at least four working stopwatches** (in case of Colorado System failure).

The All Star meet is essentially a large dual meet. We have the same jobs that are required for any dual meet with just a few exceptions. We have listed descriptions for jobs that teams have been assigned to. We will be swimming in 8 lanes. Each team has been assigned a specific lane for warm-ups. Please see Pool Configuration chart enclosed in this packet. A complete list of the volunteers will be available at the meet.

Logistic Details:

- **Meet start time is 11:00 AM.** Warm-ups begin at 10:15 am.
- **NO "Whistle Start" for this Meet.**
- **There will NOT be touch pads this year.**
- **Fly Over Starts will be utilized.**
- **The meet should end by 2:00 PM.**

Our sincerest thanks for your efforts in making the 2014 MSL All Star meet a great success.

Sincerely,

Amy Tarantino

2014 All Star Meet Director
